High school students are invited to participate in an exhilarating, thought provoking presentation given by Kee Miller on Friday October 13, 2017 as part of Naat'áanii Day. A bus/van will leave Friday morning from your school and take you and others to the District Office in Spanish Fork where the presentation will be held. The bus will return to your school no later than 11:00. Your counselor will arrange to have you excused from your classes. **You are responsible for picking up a permission slip, having it signed and returning it to your counselor.** Kee Miller will share practical wisdom he has gained from his life experiences. The presentation will be interactive and engaging. We hope you will be able to join us for this event.
