Hello! I hope everyone is having a wonderful school year so far. We are excited to announce the start of after-school labs! This school year, we have planned fun and informative cultural activities for your students. In September, students will be learning about the importance of water. After-school lab is a great place for students to make new friends, receive academic tutoring, and learn about American Indian culture. We look forward to seeing your students every Monday, Wednesday, and Thursday!
